Arizona's Fastest Growing Private Club

**ENCANTERRA, A TRILOGY COUNTRY CLUB, CELEBRATES THREE-YEAR
ANNIVERSARY BY WELCOMING ITS 150TH MEMBER FAMILY**

SAN TAN VALLEY, Ariz. – On Thursday, Jan. 27th, **Encanterra, a Trilogy Country Club**, the most awarded new private club in Arizona, celebrated the three-year anniversary of its opening by welcoming its 150th new member family, making it one of the fastest growing private clubs in the state.

The milestone is the latest indicator of Encanterra's impressive success despite today's challenging marketplace. Its spectacular Tom Lehman-designed golf course was named among the Best New Private Courses in the nation by *GOLF Magazine*, *Golfweek* and *LINKS Magazine* when it opened in 2008. Encanterra also opened *La Casa*, its stunning 60,000-square-foot clubhouse (widely considered the finest new clubhouse in the state) in February 2010; and its luxuriously appointed Alvea Spa was just named the state's top Clubhouse Spa by *Arizona Foothills*.

"We couldn't be more thrilled with the pace of our club's success," said Chris Schwartz, director of golf and team member since course construction in 2007. "To have gained 150 member families this quickly with no resignation list at all is unheard of in this market. I believe it is a testament to the quality of the services and amenities Encanterra provides and to the enthusiasm our members have for being part of this club. When you walk through *La Casa*, there's a real vibe and energy to it. Encanterra is a fun, inviting place to be and our members truly enjoy it."

Another reason for the club's success, Encanterra's membership is not limited to the residents of the community it anchors. Rather, Encanterra offers a variety of non-resident membership options with flexible financing, making it the ideal choice for those looking for an affordable private country club in the East Valley.

In addition to championship-caliber golf, Encanterra offers the signature Trilogy lifestyle in a private country club setting. The entire community exudes the Old-World charm and welcoming ambiance of a Mediterranean countryside village. Yet it affords members a host of

decidedly modern luxurious amenities such as a spectacular club with a lush day spa, state-of-the-art fitness facilities and resort-style and junior Olympic swimming pools at the clubs newly opened 60,000+ square foot clubhouse, *La Casa*. Plus, Encanterra offers an inviting restaurant and café offering everything from inspired world-class dining to convenient casual fare.

Currently, there are four golf membership categories: Golf, Associate, International and Invitational available at Encanterra. Non-residents of Encanterra may join the club via an Associate or Invitational membership. The golf membership categories grant equal access to all amenities. Additionally, a community membership – which provides limited golf privileges but access to all other amenities – is purchased in conjunction with a home at Encanterra.

All memberships are right-to-use (that means no member assessments) with flexible 5-, 7- and 10-year financing programs available for initiation fees and low monthly dues with unlimited access to golf. For a limited time the club is offering a variety of special introductory offers for membership.
