**ANGEL PARK GOLF CLUB'S CLOUD NINE SHORT COURSE
RANKED TOP 10 PAR-3 GOLF COURSES BY *GOLF MAGAZINE***

LAS VEGAS, Nev. – The Cloud Nine Short Course, a 12-hole par-3 golf course located at Angel Park Golf Club, was recently honored by *Golf Magazine* as one of the “Top 10 Par-3 Golf Course.” The ranking originally was posted May 13 on Golf.com and will also be published in the June issue of *Golf Magazine*.

“We are very proud of our Cloud Nine Short Course,” said Greg Brockelman, Director of Golf at Angel Park Golf Club. “And we’re proud of the role it plays alongside our two championship golf courses. It’s great for beginning golfers, junior golfers, families and for those die-hard golfers who either don’t have the time or simply want to sharpen their game from roughly 150 yard and in. Plus, 9 holes of the Cloud Nine are lighted for evening play.”

The [ranking](#) was compiled by senior editor courses/rankings, Joe Passov, who described it this way:

The red-headed stepchild of golf layouts has to be the par-3 course. Some purists don't even consider such tracks to be real golf, while others wrongly assume they're just for kids. The fact is, the greatest par-3 courses are every bit as scenic and thought-provoking as their bigger brothers — they just typically lack the critical element of driver play. On the plus side, whether you go 9 or 18, you've found some extra time in your day.

Angel Park Golf Club is a 36-hole facility located in the Summerlin area of Las Vegas. Its Mountain Course and Palm Course were both designed by Arnold Palmer. The club

also has a 12-hole Cloud Nine Short Course, the World's Original natural grass putting course and an expansive practice tee – all of which are lighted for evening enjoyment.
