

## PHOENIX MAGAZINE RECOGNIZES WE-KO-PA AS BEST IN VALLEY

FORT McDOWELL, AZ (July 27, 2020) - Another day, another No. 1 ranking added to the already impressive list of awards and accolades for We-Ko-Pa Golf Club. The most recent addition comes from none other than *PHOENIX* Magazine, whose readers named We-Ko-Pa Golf Club the “Best Golf Course [facility]” in the publication’s annual Best of the Valley awards. More than 400,000 online ballots were cast to determine the readers’ choices for the best experiences - from dining to golf - in the Valley of the Sun.

“The entire staff at We-Ko-Pa Golf Club is determined to provide the absolute best golf experience possible,” said Matt Barr, general manager of We-Ko-Pa Golf Club. “It’s always wonderful to have our team recognized as the best among their outstanding peers by the Valley’s leading lifestyle publication. More importantly, this recognition is a number-one ranking from real golfers. We’re honored.”

There are many reasons why Arizonans and visitors alike adore We-Ko-Pa Golf Club, however, among its most-cited characteristics are:

### **No Distractions**

The club’s two courses - Cholla and Saguaro - are completely surrounded by the Sonoran Desert with no homes, roads, or other development encroaching upon the golf experience at either of We-Ko-Pa’s two golf courses.

### **Value**

There are several top-tier courses in Scottsdale that deliver outstanding golf experiences. However, in addition to the stellar on-course experience at We-Ko-Pa, the club receives consistent praise from guests for delivering tremendous value. Pound for pound and dollar for dollar, many consider We-Ko-Pa the best bang for the buck in town.

### **Immaculate Conditions**

The other key metric golfers mention most often is the outstanding conditioning of We-Ko-Pa’s courses. The dedicated maintenance team is truly on top of its game. It doesn’t matter the season, the weather or even what grass is being grown, We-Ko-Pa is always ready to play.
